While you wait. Guaranteed to meet Passport Canada requirements*.

Tips for Perfect Passport Photos:

The Passport Office has improved security with their new digitizing equipment so it's important that your photos meet their exact specifications.

- Wear a dark coloured shirt (avoid white)
- Eye glasses must be removed to eliminate reflections.
- To eliminate shine on skin, use tissue or make-up powder.
- Submit your photos and passport application within a few weeks of receiving your photos

Coupon may not be combined with other coupons or promotions. Expires 10/31/20.
